

APPLICATION TO USE THE SCHOOL BUS SERVICE

The School operates a bus service provided by Tyrers.

There are 8 routes altogether, and details of the routes are provided with this letter, along with prices.

If you wish to use the bus service for your child, it is essential that you complete and return the attached tear-off slip to the Bursary.

It is our intention that the full year's cost of the bus service will be loaded onto your SCOPAY online account and you will be able to pay in 12 equal monthly instalments in arrears.

School Rules regarding behaviour apply to the bus journeys and adherence to the School Bus Code (copy attached) is obligatory.

The school is able to offer parents different levels of commitment to the school bus service. These are listed on the attached schedule. Because there is a limited number of seats per route, priority will be given to those using Option 1 – inward and outward journeys throughout the academic year.

M J Jorysz, Bursar.
