

Monday 29th January

Dear Parents and Carers,

Re: Creative Day at QEGS Year 8 & 9 – Tuesday 6th and 20th February

The Music Department will be taking a third of the year group to experience a day of musical theatre during the February Creative Days. Staff will lead pupils through a day of singing, acting, drama and dance assisted by the Youth Coordinator for Rocourt Theatre in Bacup (and our former colleague), Mrs Regina Arkwright. Our aim is to give students an enjoyable and fulfilling experience in a team-building, co-operative environment, where they will have the freedom to express themselves and learn the skills needed to put on a show!

The aim of the day is to teach each year group an act, which will be included in the Creative Faculty Show 'Time Travel through Film' on Thursday 22nd March at 7pm in the Main Hall. Pupils will need to be available to perform on this evening and will need to wear outfits that are all black in colour. Tickets will go on sale shortly from reception and will be available on the door that evening to enable you as parents to come and see what the pupils have achieved!

If you have any further questions do not hesitate to contact me.

Yours sincerely,

A M Berry
