Dear Parents and Guardians,

## **UCAS A-Z**

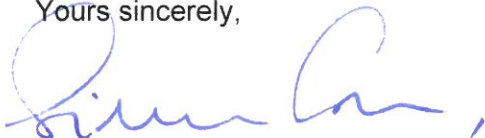

In the coming months, your son or daughter will make important decisions about his or her academic future, but it is a decision in which you will wish to be involved too and, to this end, we begin this process in school with a special parents' meeting: **UCAS A-Z**. This will be held in the Main Hall, not Singleton House as stated in the red calendar, on the evening of Tuesday 14<sup>th</sup> June, starting promptly at 1900 hrs.

The purpose of the evening is to share with you our accumulated knowledge about higher education and its various entrance procedures which have certainly changed over the years and continue to. The team present on this occasion will include Mr John Morgan (Head of Sixth Form), Mr Steve Northin (Head of Careers) and Lower Sixth Tutors. A representative from the University of Manchester will talk on that most fraught of subjects, undergraduate finance and give tips on choosing the right degree course and how a university goes about selecting students.

This event is for Year 12 **students and parents** this year. There are other such events in school which are just for the students. I do hope that you will be able to join us at the start of what is a crucial stage in every Sixth Former's progress.

One such event is UCAS morning on Thursday 23<sup>rd</sup> June 9.10am to 12.05pm (attendance at which is compulsory) where students are given further information on how the process works and advice and practical help, with IT assistance, about writing personal statements and completing the UCAS form.

Yours sincerely,

**HEADMASTER**
