

5th June 2017

Dear Parents and Guardians,

UCAS A-Z

In the coming months, your son or daughter will make important decisions about his or her academic future, but it is a decision in which you will wish to be involved too and, to this end, we begin this process in school with a special parents' meeting: **UCAS A-Z**. This will be held in Singleton House on the evening of Wednesday 14th June, starting promptly at 1900 hrs.

The purpose of the evening is to share with you, our accumulated knowledge about higher education and its various entrance procedures which have certainly changed over the years and continue to do so. The team present on this occasion will include Mr Malcolm Russell (Head of Sixth Form), Mr Paul Taylor (Head of Careers) and Miss Alex Ash (Deputy Head of Sixth Form). A representative from Edge Hill University will talk on that most fraught of subjects, undergraduate finance and give tips on choosing the right degree course and how a university goes about selecting students.

This event is for Year 12 **students and parents**. There are other such events in school which are just for the students. I do hope that you will be able to join us at the start of what is a crucial stage in every Sixth Former's progress.

Yours sincerely,

Yours sincerely,

Mrs C Y Gammon
