

APPLICATION TO USE THE SCHOOL BUS SERVICE

The School operates a bus service currently provided by Moving People.

There are currently 8 routes altogether, which are regularly reviewed to ensure that they suit the needs of the school.

If you wish to use the service for your child, it is essential that you complete and return the attached tear-off slip to the Finance Office.

It is our intention that the full year's cost of the service will be loaded onto your SCOPAY online account and you will be able to pay in 12 equal monthly instalments in arrears.

Rules regarding behaviour apply to the journeys and you and your child will be expected to read and sign the Agreement to confirm that you agree with these.

The school is able to offer parents different levels of commitment to the school bus service. Because there is a limited number of seats per route, priority will be given to those using Option 1 – inward and outward journeys throughout the academic year.
