

SATS Results Key Stage 2 2017

We are delighted to be able to announce the provisional School's SATS results for 2017. These results are for pupils who reached the Expected Standard or Above in each strand.

The percentage of pupils reaching High Score (or Greater Depth) will be published as soon as the national data is made available.

These results are based on the pupils that actually sat the tests in 2017 (excluding any pupil that only joined us during the academic year 2016-17 (2 pupils) or any pupil that was absent for the test (1 pupil)).

I have also included the 2016 results as a comparison. National figures are given in brackets.

Reading	75% (66%)	87% (71%)
Grammar, Spelling and Punctuation	88% (72%)	95% (77%)

Well done to all of the children in Year 6. They have all worked very hard and the School is delighted that their efforts have been rewarded.
