Dear Fellow Governors, Parents and Guardians, and Staff of QEGS,

Re: Recruitment for the Post of Head

Following a national advertisement and demanding interview process on 10th May, the Governor Panel decided that the field was not as extensive as we had hoped.

We have thus decided to repeat the process during the next academic year.

In the meantime, I am delighted to inform you the Governor Panel decided unanimously that Mrs Claire Gammon, Deputy Head (Data, Reporting and Staff Welfare), should be offered the post of Acting Head for a period of at least two terms from January 2017 and I am delighted that she has accepted this position.

I am sure that you will also agree that this will offer continuity to the school and benefit pupils and staff.

Yours sincerely,
