Dear Parents and Guardians,

Year 3 Spellings

Your child will be given their new spellings every Wednesday and will bring these home in an orange exercise book. They will be expected to learn these throughout the week and will be tested on these the following Wednesday. The learning of these spellings is in addition to the normal English and Mathematics homework that they will receive on a Monday to Thursday.

Starting this week, the children will be provided with a 'Look, Cover, Say, Write, Check' booklet. They will use this booklet in school, which helps children to practise and memorise spellings, at the start of each day to help them to learn their weekly words.

As there appears to have been some miscommunication about the learning of spellings, we will test the children on the Unit 1 words on Thursday this week. This postponed date should afford the children a little extra time to practise these words.

Yours sincerely,

A handwritten signature in blue ink that reads 'H Singleton'.
