Dear Parents and Guardians,

KS2 SATs: Revision Websites/ Apps

We would like to take this opportunity to wish you and your child a relaxing half-term holiday. We are aware that many families have very exciting plans for this break; however, there may well still be some times when your child wishes to complete some revision in preparation for the SATs in May. We recommend that such work takes place little and often. With this in mind, we have put together our top two/ three websites/ apps for your child to visit when such opportunities arise. We hope that this helps to assist your child in this learning journey.
